Gloria Duchin Gardening Collection featured in the Miami Herald and the Charlotte Observer

East Providence, RI -- August 1, 2005 -- Gloria Duchin Inc., a leading manufacturer specializing in seasonal, handcrafted metal work, all made in the USA, was featured in the home sections of the Miami Herald and the Charlotte Observer this summer.

Both publications featured the Gloria Duchin gardening collection of ornaments with a photo from a garden party hosted by company President, Robyn Smalletz, where she creatively used the genuine pewter miniature watering can as a decorative napkin ring.

The gardening collection includes an entire line of genuine pewter keepsakes including gardening gloves, a bird bath, flower pots, butterflies and gardening tools all accented with either Swarovski crystals or colored epoxy. The whole collection can be viewed on the Gloria Duchin website at <http://www.gloriaduchin.com/july/gardening.php>, and can be purchased through the company for \$7.99 each.
