Gloria Duchin Announces the Launch of their "Think Spring" Web Series

East Providence, RI -- April 2005 -- Gloria Duchin Inc., a leading manufacturer specializing in seasonal, handcrafted metal work, all made in the USA, announced today the launch of a new "Think Spring" section on their corporate website.

The "Think Spring" section features multiple pages designed to introduce seasonal gift items for spring along with directions for making a floral wreath and photos from a garden party hosted by company President, Robyn Smalletz.

"Our goal for 'Think Spring', is to introduce new products to the consumer and give them ideas for using them creatively, to enhance their homes and craft projects." said Robyn.

The launch of the spring web pages marks the first of four new series per year; each one dedicated to showcasing new products and usage ideas for the corresponding season. To view the new spring pages, please go to **www.gloriaduchin.com/spring/spring.html**
