Gloria Duchin Introduces Adopt a Pet Gifts Line

*A jewelry and accessories collection that support shelter pets
MADE in USA*

East Providence, RI -- May 3, 2010 -- Gloria Duchin, Inc. is pleased to announce their limited edition line of Adopt a Shelter Pet jewelry and accessories in partnership with HALO, Purely for Pets, the US Postal Service and Puppy Bunny Pink, Inc. The collection supports the 1 Million Meal Donation program, providing meals to shelter pets in need.

The stamps, available from the US Postal Service, feature images of adopted pets photographed by Sally Anderson-Bruce. Each piece in the Adopt a Pet gifts line includes a silvertone stamp charm of one of the animals. With each item purchased, Gloria Duchin will donate a dollar to the Halo Pet Foundation, which provides additional support for shelter animals in need.

“Our Adopt a Pet gifts line is an adorable collection of keyrings, necklaces, pet tags and more, accented with glitter, charms and colored epoxy. Most of the pieces can also be customized online with engraving for a personalized gift,” says Gloria Duchin President, Robyn G. Smalletz.

The newest gift in the collection is an imported Gund stuffed puppy with a golden retriever stamp necklace. It comes pre-packaged in a gift bag with tissue and the necklace can still be engraved.
